Dear Sir / Madam,

I hereby confirm that Yanis-Huy participated in a summer training camp in Hanoi (July 2019) with the Vietnam National Youth Team, as well as with the National Handisport team.

Serious and hardworking, Yanis-Huy learned the cultural difference between France and Vietnam, but quickly adapted to the requirements of the Vietnamese High Level.

He didn't hesitate to work hard to progress during the different training sessions we did. He was also very proud to introduce us to French methods, and this cultural exchange was beneficial to everyone.

Open-minded about the Disabled world, Yanis-Huy has learned a lot about disability in general and has been made widely aware of this subject.

I therefore give an extremely positive opinion on Yanis-Huy, who has a bright future ahead of him.

My best regards,

Vinh BUI,

Grandmaster and Head coach of Vietnamese chess team
